

Useful

**loved
the
layout**

customisation
was straight
forward and
simple

liked
customisation

payment
screen
was great

easy to
navigate

able to
checkout
easily

Simple
navigation

payment info
was easy to fill
in and loved
cash option

beneficial to have

more
payment
options

adding quatity
of same meal
option

**more
options**

Time
option
would be
good

**notes
section**

wanted
note
section

**notes
section**

Pain points

saving of
payment
info and
address

able to go
back to menu
without
clicking back
button

more clarification
on recommended or
is it frequently
ordered

Had issue
reading meal
description
text.

difficulty
navigating

Tone

Happy
customising

Happy

**not
confused**
